This letter has an enclosed check for \$200.00 given by Laureate Iota Beta (a sorority chapter of Beta Sigma Phi). We would like to designate this money to be used towards either the purchase or training of the special dogs used by the Sheriff's office for apprehending people and/or drugs. We highly regard these dogs and the men and women who use them. We were greatly saddened that the department has recently lost several dogs because of age, health or other circumstances.

We appreciate the work all of you do in our community and appreciate your dedication to the citizens here in Collin County. We support you entirely. We hope the money will help you continue the great work you do. Thanks a million.

Sincerely,

Donna Krauss for Laureate Iota Beta
