90 Day Contract Extension Request	11/04/2021

In lieu of the standard one-year extension, the City of Frisco is requesting a 90-day extension to continue your services under the same terms and conditions on the above referenced subject contract. After the 90-day extension, the City will determine if it is in the best interest to extend this contract for the remaining 1-year period. The City will work with Galls at that time on any pricing adjustments.

Please acknowledge your acceptance of this 90-day extension request by signing and returning this extension letter. This may be emailed to scone@friscotexas.gov. If you have any questions or concerns, please contact Steve Cone at 972-292-5542.
