Contech Engineered Solutions, LLC

IFB 2021-315 is recommended to Contech Engineered Solutions, LLC, the sole bidder meeting specifications as determined by the Public Works Department and Purchasing.

Vendor feedback received on why they would not/did not submit a bid:

- Wilson Culverts – Product is too hard to obtain right now. Will not bid on a contract they most likely cannot fulfill orders on.
- Greenville Steel – Talked with two employees (1 before bid release, 1 after) Vendor did not view bid.
- Seabreeze Culvert, Inc. – Prices are going up each month so they will not bid on contract pricing.
- Continental Steel & Tube – Spoke with vendor but they showed no interest in it and did not call back with contact info to add to the bid.
- Texas Steel Culvert Co. – Owned by sole bidder.
- West Texas Culverts, Inc – Owned by sole bidder.
- Forterra – Does not provide steel culverts, only concrete

Grayson County bid had same sole bidder.
