Re: Prairie Crossing (FKA CR 51) Road Abandonment

Public Works requests Commissioners Court's approval to abandon a portion of Prairie Crossing (FKA CR 51).

Light Farms will be realigning a portion of Prairie Crossing to connect to Frontier Parkway. On August 4, Public Works received a formal petition from Light Farms to abandon the aforementioned road segment. Light Farms will not remove the existing surface until the new road has been completed. No County residents will be adversely affected by this action since they all have access along the newly constructed Prairie Crossing.
