Re: FY22 Maintenance Contract Renewal Authorization

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with Tyler Technologies for Odyssey Case and Jail Management Maintenance. This renewal, billed separately by the vendor, is for supported integrations. The FY22 renewal will be budgeted as part of the non-departmental budget request. The estimated supported integrations maintenance cost is under \$6,300.

This line item is included as part of the regular FY22 maintenance request.
