Re: FY22 Maintenance Contract Renewal Authorization

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with Tyler Technologies for Odyssey Civil Serve, Biometrics, and eCitation Maintenance. These renewals, billed separately by the vendor, are in addition to the base agreement for the core modules. The FY22 renewal, budgeted as part of the non-departmental budget request, is estimated to be \$53,917.24.

This line item will be included as part of the regular FY22 maintenance request.
