RE: FY 2022 General Liability Insurance –Reserve Deputies

The Collin County Sheriff's Office recently notified Risk Management that four of their Reserve Deputies are certified as first responders through the State of Texas. These four Reserve Deputies will be assisting the SWAT team and may provide initial medical response when necessary.

Risk Management confirmed that this type of work is not currently covered under our existing general liability policy. To reduce the county's risk in this matter, we are recommending adding HealthCare and Social Services coverage to our general liability policy for these four employees. We received a proposed quote to add this line of coverage for those Reserve Deputies for \$840 annually.

The new policy will be in effect from the date Commissioner's Court approves the coverage to September 30, 2022. The premium will be issued from account number 5501-03020-0018-41-30-0000-615905.
