**Re:** FY22 Maintenance Contract Renewal Authorization

---

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with Tyler Technologies for Odyssey Case and Jail Management Maintenance. This renewal, billed separately by the vendor, is the base agreement for the core. The FY22 renewal will be budgeted as part of the non-departmental budget request. The cost of core module support is \$567,424.38.
