To Whom It May Concern:

I Evaristo Godinez am writing this letter as a formal statement of my intent to purchase the right of way between 307 Georgia Ave and the adjacent land which we have recently purchased (Lot 54F- Lot 54C). I understand that I will be responsible for the survey, the appraisal costs, the County's Legal expenses related to deed prep, and any additional fees needed.

Sincerely,

Evaristo Godinez
