RE: Acceptance of District Attorney Testing of Forensic Evidence Grant FY2022

I request that Commissioners Court accept the District Attorney Testing of Forensic Evidence Grant FY2022. I was notified, on Tuesday, October 12, 2021, that our grant application was accepted in the full amount requested. The grant period runs from September 1, 2021 through August 31, 2022. This grant will be used to fund quantitative THC testing for seized cannabis samples, which was required in FY2019 by the Texas Legislature under HB 1325. This grant will also allow testing of multiple controlled substances for high-level offenders.
