

**THIRD PARTY ADMINISTRATOR SERVICES AGREEMENT
BETWEEN
COLLIN COUNTY
AND
COMMUNITY DEVELOPMENT PROPERTIES NORTH TEXAS, INC.**

Collin County, Texas ("Collin County") and **Community Development Properties North Texas, Inc.**, a Delaware non-profit corporation ("Contractor" or "CDP-North Texas"), hereby enter into this Agreement ("Agreement") for Third Party Administrator Services related to the Collin County Emergency Rental Assistance Program ("Program"). Collin County and Contractor are sometimes referred to collectively as the "parties" or individually as a "party."

WHEREAS, Collin County is launching an emergency rental assistance program to provide assistance to eligible households living in Collin County, excluding those located in the City of Dallas, City of Allen, City of Frisco, City of McKinney and City of Plano, which have suffered economic hardship due to the COVID-19 pandemic and are unable to pay rent and/or utilities due to the COVID-19 pandemic; and

WHEREAS, based on Contractor's prior performance as the third party administrator for the Collin CARES Small Business Grant Program and Contractor's prior agreement to manage additional rounds of Grant funding if requested by Collin County, Collin County has selected Contractor to provide the services sought by Collin County under the terms and conditions of this Agreement; and

WHEREAS, CDP-North Texas is a 501(c)(3) tax-exempt charitable organization.

NOW, THEREFORE, in consideration of the mutual agreements and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Scope of Services.
Contractor shall provide the services and deliverables that are set forth and described in the Agreement Documents (as defined in Section 7 of this Agreement), upon the terms and conditions set forth in the Agreement Documents, and shall furnish all personnel, labor, equipment, supplies and all other items necessary to provide the services and deliverables as specified by the terms and conditions of the Agreement Documents (collectively, "Services"). Notwithstanding anything to the contrary, Contractor agrees to manage additional rounds of Grant funding if requested by Collin County.
2. Term.
Performance of the Services shall commence on the Effective Date (hereinafter defined) of this Agreement and shall continue in effect until terminated by any party pursuant to Section 14 of this Agreement or until Services are no longer necessary, as determined by Collin County in its sole discretion.
3. Compensation.

In exchange for the Contractor providing the Services described in the Agreement Documents, including those Services provided by CDP-North Texas, and subject to this Section 3, Collin County agrees to pay Contractor an administrative fee of up to ten percent (10%) of the amount of funding awarded to Collin County (the "Contractor's Fee"). Contractor's Fee may be invoiced in an amount equal to ten percent (10%) of the amount of funding distributed for eligible households in Collin County under the Program and administered by Contractor under this Agreement. Subject to availability of funding and prior approval by Collin County, Contractor may additionally incur and invoice for administrative expenses related to outreach to eligible households, including the purchase of computer hardware and software. The Contractor's Fee shall cover all of the Contractor's time, travel expenses, supplies, postage, telephone and other expenses in connection with the Services and this Agreement.

Contractor acknowledges and agrees that this Agreement shall commence on the Effective Date and continue in full force and effect until termination in accordance with its provisions. Contractor and Collin County acknowledge and agree that the continuation of this Agreement after the close of any given fiscal year of Collin County, which fiscal year ends on September 30th of each year, shall be subject to Collin County Commissioner's Court approval. In the event that the Collin County Commissioner's Court does not approve the appropriation of funds for this Agreement, the Agreement shall terminate at the end of the fiscal year for which funds were appropriated, and the parties shall have no further obligations hereunder, but Collin County shall be obligated to pay all charges incurred by Contractor through the end of that fiscal year provided that Contractor is not in breach of this Agreement.

Collin County shall pay Contractor in accordance with Texas Government Code 2251, unless supporting receipts or other supporting documentation have been requested by Collin County, in which case Collin County shall pay the invoice as soon after receiving the supporting receipts or documentation as is reasonable; or unless a dispute arises as to any charge(s) contained in the invoice, in which case Collin County shall pay the undisputed amount of the invoice in accordance with Texas Government Code 2251, and shall pay the remaining amount, if any, of the invoice after resolution of the dispute as soon after resolution as is reasonable. Notwithstanding anything to the contrary herein, Collin County shall not be required to pay any invoice submitted by the Contractor, if the Contractor is in breach of this Agreement.

Contractor shall cooperate with Collin County in Collin County's efforts to seek funding or reimbursement for all or a portion of the Contractor's Fee from external funding sources, including but not limited to local, state or federal governments.

4. Transfer of Funds to Capitalize the Program. Collin County desires to rapidly provide emergency rental assistance to eligible households living in Collin County, excluding those located in the City of Dallas, City of Allen, City of Frisco, City of McKinney and City of Plano, which have suffered economic hardship due to the COVID-19 pandemic and are unable to pay rent and/or utilities due to the COVID-19 pandemic by providing Coronavirus Response and Relief Supplemental Appropriations Act of 2021 funding to

eligible households living in Collin County (excluding City of Dallas, City of Allen, City of Frisco, City of McKinney and City of Plano) in an amount of up to \$20,000 per household, as generally described in Exhibit D attached hereto. Contractor acknowledges and agrees that final decisions on the award and expenditure of Program funding will be made by Collin County in its sole discretion. Collin County will provide a recoverable grant(s) (“Grant”) of Coronavirus Response and Relief Supplemental Appropriations Act of 2021 funding to Contractor, in an amount determined by Collin County in its sole discretion. Contractor shall hold such Grant in trust for the benefit of Collin County and act as the funding facilitator for the Program on Collin County’s behalf and at Collin County’s direction subject to the terms of this Agreement. CPD-North Texas shall not commingle the Grant funds with any other funds, and the funds must be kept in an interest-bearing account. Collin County is solely responsible for providing the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 funding used to provide emergency rental assistance made pursuant to the Program.

5. Purpose Use and Repayment of Grant Funds. The sole purpose of the Grant is to capitalize the Program Collin County will use to facilitate the provision of emergency rental assistance to eligible households as described in the Agreement Documents. Grant funds may only be used to provide assistance to eligible households, as directed by Collin County, in accordance with the Agreement Documents and the published guidance of the United States Department of Treasury as of the date hereof, which are attached as Exhibit E, and for no other purpose. Grant funds may not be used for operational or any other expenses or uses of Contractor. Contractor will not be required to repay Grant funds used to provide emergency rental assistance for eligible households as directed by Collin County, including Grant funds used to provide emergency rental assistance for an eligible household that is later deemed to be in default or non-qualifying under the Program, unless the United States Treasury Department finds that the payment for an eligible household was an ineligible use of Coronavirus Response and Relief Supplemental Appropriations Act of 2021 funding and its use was solely due to Contractor’s improper evaluation of the eligible household’s application documents. Any Grant funds, including interest on such funds, not expended for the purposes of the Grant and/or held by Contractor on the expiration or termination of this Agreement shall be returned by Contractor to Collin County within ten (10) days of the expiration or termination of this Agreement.
6. Reporting and Accountability.
 - (a) Reporting. Contractor agrees to submit all required documentation and reports on a timely basis and in accordance with the specified time frames pursuant to this Agreement. Remedies for delinquent reporting may include withholding of payments until such time all reports are received, cancellation and/or termination of this Agreement with no obligation to pay for undocumented services, or both.
 - (b) Access to Records. Contractor agrees that Collin County, or any of its duly authorized representatives, has the right of timely and unrestricted access to any books, documents, papers, reports and other records of Contractor that are pertinent to the fulfillment of the requirements of this Agreement, including the right to copy

such documents. This right also includes timely and reasonable access to Contractor's personnel for the purpose of reviewing, interviewing, evaluating and monitoring related to such documents. All such items shall be furnished to Collin County in Collin County, Texas.

- (c) Ownership. Contractor agrees that all information, data, and supporting documentation that relates to the Services provided hereunder shall remain the property of Collin County.
- (d) Maintenance of Records. Contractor's records, books and other documents reasonably related to this Agreement shall be kept and maintained in standard accounting form. Such records, books and documents shall be made available to Collin County subject to inspection by authorized personnel upon request.
- (e) Audit. Collin County, its assigns or any other governmental entity approved by Collin County shall have the unrestricted right to audit all data or documents related to this Agreement. Such data shall be furnished to Collin County at a mutually convenient time within a reasonable time. Should Collin County determine it reasonably necessary, Contractor shall make all its records, books and documents reasonably related to this Agreement available to authorized County personnel, at reasonable times and within reasonable periods, for inspection or auditing purposes or to substantiate the provisions of services under this Agreement.
- (f) Retention of Records. All records, books, and documents reasonably related to this Agreement shall be maintained and kept by Contractor for a minimum of five (5) years or until they are no longer legally required under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021, state or local law, whichever is longer. If any litigation, claim or audit involving these documents or records begins before the specified period expires, Contractor must keep the records and documents until all litigation, claims or audit findings are resolved, whichever is later. Contractor is strictly prohibited from destroying or discarding any records, books or other documents reasonably related to this Agreement, unless the time period for maintaining such under this subsection (f) has lapsed.

7. Agreement Documents.

The "Agreement Documents," as that term is used herein, shall mean and include the following documents, and this Agreement expressly incorporates the same herein by reference for all purposes:

SHOULD DISPUTES ARISE AS TO RESPONSIBILITIES AND OBLIGATIONS SET FORTH IN THE AGREEMENT DOCUMENTS, COLLIN COUNTY'S INTERPRETATION AND/OR DECISION SHALL BE FINAL AND BINDING.

8. Entire Agreement.

This Agreement contains all representations, understandings, contracts and agreements between the parties regarding the subject matter of this Agreement. This Agreement supersedes all oral or written previous and contemporaneous agreements, writings, understandings, representations or contracts between the parties regarding the subject matter of this Agreement. This Agreement in no way modifies or supersedes any document executed by the parties prior to the Effective Date of this Agreement which does not concern the subject matter of this Agreement. No amendment to this Agreement shall be made except on the written agreement of the parties, which shall not be construed to release either party from any obligation of this Agreement except as specifically provided for in such amendment.

9. Required Insurance.

Contractor shall not start work under this Agreement until the Contractor has obtained, at Contractor's expense, all the insurance specified in, and required by, this Agreement. Contractor shall procure and keep in full force and effect the types and amounts of insurance specified in Collin County's Insurance Requirements, attached hereto as Exhibit B and incorporated herein for all purposes, for and during all aspects and phases of Contractor's work throughout the term of this Agreement at no expense to Collin County. 11. Indemnity.

CONTRACTOR HEREBY RELEASES AND SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS COLLIN COUNTY AND ITS OFFICERS, AGENTS, REPRESENTATIVES AND EMPLOYEES (COLLECTIVELY REFERRED TO AS "COLLIN COUNTY" FOR PURPOSES OF THIS SECTION) FROM AND AGAINST ALL DAMAGES, INJURIES (WHETHER IN CONTRACT OR IN TORT, INCLUDING PERSONAL INJURY AND DEATH), CLAIMS, PROPERTY DAMAGES (INCLUDING LOSS OF USE), LOSSES, DEMANDS, SUITS, ACTIONS, JUDGMENTS, LIENS, COSTS AND EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES AND EXPENSES (INCLUDING ATTORNEY'S FEES AND EXPENSES INCURRED IN ENFORCING THIS SECTION), THAT IN WHOLE OR IN PART ARISE OUT OF OR ARE CONNECTED WITH GOODS AND/OR SERVICES PROVIDED BY A CONTRACTOR, ITS OFFICERS, AGENTS, REPRESENTATIVES, EMPLOYEES, SUBCONTRACTORS, LICENSEES, INVITEES OR ANY OTHER THIRD PARTIES FOR WHOM THE CONTRACTOR IS LEGALLY RESPONSIBLE (COLLECTIVELY REFERRED TO AS "CONTRACTOR" FOR PURPOSES OF THIS SECTION) PURSUANT TO THIS AGREEMENT AND/OR THE NEGLIGENT, GROSSLY NEGLIGENT AND/OR INTENTIONAL WRONGFUL ACT AND/OR OMISSION OF CONTRACTOR IN ITS/THEIR PERFORMANCE OF THIS AGREEMENT, REGARDLESS OF THE JOINT OR CONCURRENT NEGLIGENCE OF COLLIN COUNTY (COLLECTIVELY, "CLAIMS"). IN ITS SOLE DISCRETION, COLLIN COUNTY SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY CONTRACTOR IN FULFILLING ITS OBLIGATION HEREUNDER TO DEFEND AND INDEMNIFY COLLIN COUNTY, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY COLLIN COUNTY IN WRITING. COLLIN COUNTY RESERVES THE RIGHT TO PROVIDE A PORTION OR ALL OF ITS OWN DEFENSE; HOWEVER, COLLIN COUNTY IS UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY COLLIN COUNTY IS NOT TO BE CONSTRUED AS A WAIVER OF CONTRACTOR'S OBLIGATION TO DEFEND COLLIN COUNTY OR AS A WAIVER OF CONTRACTOR'S OBLIGATION TO INDEMNIFY COLLIN COUNTY PURSUANT TO THIS AGREEMENT. CONTRACTOR SHALL RETAIN COLLIN COUNTY-APPROVED DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS

DAYS OF COLLIN COUNTY'S WRITTEN NOTICE THAT COLLIN COUNTY IS INVOKING ITS RIGHT TO DEFENSE OR INDEMNIFICATION UNDER THIS AGREEMENT. IF CONTRACTOR FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, COLLIN COUNTY SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON ITS OWN BEHALF, AND CONTRACTOR SHALL BE LIABLE FOR ALL COSTS INCURRED BY COLLIN COUNTY. THE CONTRACTORS' OBLIGATIONS UNDER THIS SECTION SHALL NOT BE LIMITED TO THE LIMITS OF COVERAGE OF ANY APPLICABLE INSURANCE. THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

Contractor also shall comply with all other requirements set forth in Exhibit C.

14. Termination.

Each party is entitled to terminate this Agreement for any reason or for no reason by providing the other parties written notice of termination at least ten (10) days prior to the anticipated date of termination.

The parties are entitled to terminate this Agreement immediately on breach of any term or provision of this Agreement by another party. If at any time during the term of this Agreement, Contractor shall fail to commence the work in accordance with the provisions of this Agreement or fail to diligently perform the Services in an efficient, timely and careful manner and in strict accordance with the provisions of this Agreement, then Collin County shall have the right to terminate this Agreement and complete the work

in any manner it deems desirable, including engaging the services of other parties, if Contractor does not cure any such default after five (5) days written notice thereof. Any such act by Collin County shall not be deemed a waiver of any other right or remedy of Collin County.

If after exercising any remedy provided herein, the cost to Collin County of the performance of the balance of the work on the Program is in excess of that part of the Contractor's Fee which has not yet been paid to Contractor hereunder, Contractor, jointly and severally, shall be liable for and shall reimburse Collin County for such excess, without waiver of any other right or remedy of Collin County.

The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by either party shall not preclude or waive its rights to use any or all other remedies. These rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

15. Authority to Execute.

Each party represents and warrants to the other that it has the full power and authority to enter into and fulfill the obligations of this Agreement. The respective signatories to this Agreement, by affixing their signatures hereto, warrant and represent that they have the authority to bind their respective parties as duly authorized representatives thereof.

16. Assignment.

Contractor agrees that neither this Agreement nor the services to be performed hereunder will be assigned or sublet without the prior written consent of Collin County. Contractor further agrees that the assignment or subletting of any portion or feature of the work or materials required in the performance of this Agreement shall not relieve either Contractor of its full obligations to Collin County as provided by this Agreement. Contractor agrees that all such approved work performed by assignment or subletting shall be billed through Contractor, and there shall be no third party billing.

17. No Waiver of Immunity.

The parties acknowledge and agree that, in executing and performing this Agreement, Collin County has not waived, nor shall be deemed to have waived, any defense or immunity, including governmental, sovereign and official immunity, that would otherwise be available to it against claims arising in the exercise of governmental powers and functions. By entering into this Agreement, the parties do not create any obligations, express or implied, other than those set forth herein.

18. Savings/Severability.

In the event that a term, condition or provision of this Agreement is determined to be invalid, illegal, void, unenforceable or unlawful by a court of competent jurisdiction, then that term, condition or provision shall be deleted and the remainder of the Agreement shall remain in full force and effect as if such invalid, illegal, void, unenforceable or unlawful provision had never been included in this Agreement.

19. Consideration.
This Agreement is executed by the parties without coercion or duress and for substantial consideration, the sufficiency of which is forever confessed.
20. Expenses for Enforcement.
In the event either party hereto is required to employ an attorney to enforce the provisions of this agreement or required to commence legal proceedings to enforce the provisions hereof, the prevailing party shall be entitled to recover from the other, reasonable attorney's fees and court costs incurred in connection with such enforcement including collection.
21. Governing Law; Venue.
The laws of the State of Texas shall govern the interpretation, validity, performance and enforcement of this Agreement, without regard to conflict of law principles. This Agreement is performable in Collin County, Texas, and the exclusive venue for any action arising out of this Agreement shall be a court of appropriate jurisdiction in Collin County, Texas. The Parties agree to submit to the personal and subject matter jurisdiction of said court.

This Agreement shall be binding on and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors and assigns when permitted by this Agreement.
23. No Waiver.
Waiver by either party of any breach of this Agreement, or the failure of either party to enforce any of the provisions of this Agreement, at any time, shall not in any way affect, limit, or waive such party's right thereafter to enforce and compel strict compliance.
24. Headings.
The headings of the various sections of this Agreement are included solely for convenience of reference and are not to be full or accurate descriptions of the content thereof.
25. Indemnity.

Exhibit E
Published Guidance of the United States Department of Treasury

U.S. Department of the Treasury
Emergency Rental Assistance
Frequently Asked Questions
January 19, 2021

The Department of the Treasury (Treasury) is providing these Frequently Asked Questions (FAQ) as guidance regarding the requirements of the Emergency Rental Assistance (ERA) program established by section 501 of Division N of the Consolidated Appropriations Act, 2021, Pub. L. No. 116-260 (Dec. 27, 2020) (the "Act"). These FAQ will be supplemented by additional guidance and FAQ on a rolling basis.

1. The statute provides that ERA funds may be used for "utilities and home energy costs." How are those terms defined?

Utilities and home energy costs are separately-stated charges related to the occupancy of rental property. Accordingly, utilities include separately-stated electricity, gas, water and sewer, trash removal and energy costs, such as fuel oil. Telecommunication services (telephone, cable, Internet) delivered to the rental dwelling are not considered to be utilities. Utilities that are covered by the landlord within rent will be treated as rent.

2. Must a beneficiary of the rental assistance program have rental arrears?

No. The statute does not prohibit the enrollment of households for only prospective benefits. Section 501(c)(2)(B)(iii) of Division N of the Act does provide that assistance to reduce rental arrears, if any, must be provided before prospective rental benefits may be provided. The statute also provides a limitation on prospective benefits of three months at one time.

3. Must a grantee pay for all of a household's rental or utility arrears?

No. The full payment of arrears is allowed up to the 12-month limit established by the statute if the arrears can be shown to be due to COVID-19. (Grantees may provide assistance for an additional three months if necessary to ensure housing stability for a household.) However, a grantee may structure a program to provide less than full coverage of arrears. When structuring their program, grantees should consider how to best minimize any incentives for the non-payment of rent or utilities by potential beneficiaries of the program.

4. What outreach must be made by a grantee to a landlord or utility provider before determining that the landlord or utility provider will not accept direct payment from the grantee?

Grantees must make reasonable efforts to obtain the cooperation of landlords and utility providers to accept payments from the ERA program. Outreach will be considered complete if a request for participation is sent in writing, by certified mail, to the landlord or utility provider, and the addressee does not respond to the request within 21 calendar days after mailing; or, if the grantee has made at least three attempts by phone or email over a 21 calendar-day period to request the landlord or utility provider's participation. All efforts must be documented. The cost of the mailing would be an eligible administrative cost.

5. The statute limits eligibility to households with income that does not exceed 80 percent of area median income as defined by the Department of Housing and Urban Development (HUD) but does not provide a definition of household income. How is household income defined for purposes of the ERA program? How will income be documented and verified?

The statute provides that grantees may determine income eligibility by reference to either (i) household total income for calendar year 2020 or (ii) sufficient confirmation of the household's monthly income at the time of application, as determined by the Secretary of the Treasury (Secretary).

With respect to each household applying for assistance, grantees may choose between using the definition of "annual income" as provided by HUD in 24 CFR 5.609 and using adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

For determining annual income, grantees should obtain at the time of application source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement), or a copy of Form 1040 as filed with the IRS for the household.

For determining monthly income, grantees must obtain income source documentation, as listed above, for at least the two months prior to the submission of the application for assistance. If an applicant qualifies based on monthly income, the grantee must redetermine the household income eligibility every three months for the duration of assistance.

6. In addition to providing an attestation in writing, must applicants document that they have experienced a reduction in income, incurred significant costs, or experienced other financial hardship due to the COVID-19 outbreak?

Yes, to the extent administratively feasible, grantees must require applicants to document that they have (i) qualified for unemployment benefits or (ii) experienced a reduction in income, incurred significant costs, or experienced other financial hardship due directly or indirectly to COVID-19 that threaten the household's ability to pay the costs of the rental property when due.

Grantees must also require applicants to demonstrate a risk of experiencing homelessness or housing instability, which may include past due rent and utility notices and eviction notices, if any, as part of the application process.

7. Is there a requirement that the eligible household have been in its current rental home when the public health emergency with respect to COVID-19 was declared?

No. However, payments under ERA are to be provided to households to meet housing costs that they are unable to meet as a result of the COVID-19 outbreak. There is no statutory requirement for the length of tenure in the current unit.

8. What data should a grantee collect regarding households to which it provides rental assistance in order to comply with Treasury reporting and recordkeeping requirements?

Treasury will provide instructions at a later time as to what information grantees must report to Treasury and how this information must be reported. At a minimum, in order to ensure that Treasury is able to fulfill its quarterly reporting requirements under section 501(g) of Division N of the Act and its ongoing monitoring and oversight responsibilities, grantees should anticipate the need to collect from households and retain records on the following:

- Address of the rental unit,
- Name, address, social security number, tax identification number or DUNS number, as applicable, for landlord and utility provider,
- Amount and percentage of monthly rent covered by ERA assistance,
- Amount and percentage of separately-stated utility and home energy costs covered by ERA assistance,
- Total amount of each type of assistance (i.e., rent, rental arrears, utilities and home energy costs, utilities and home energy costs arrears) provided to each household,
- Amount of outstanding rental arrears for each household,
- Number of months of rental payments and number of months of utility or home energy cost payments for which ERA assistance is provided,
- Household income and number of individuals in the household, and
- Gender, race, and ethnicity for the primary applicant for assistance.

Grantees should also collect information as to the number of applications received in order to be able to report to Treasury the acceptance rate of applicants for assistance.

Treasury's Office of Inspector General may require the collection of additional information in order to fulfill its oversight and monitoring requirements. Treasury will provide additional information regarding reporting to Treasury at a future date. Grantees will need to comply with the requirement in section 501(g)(4) of Division N of the Act to establish data privacy and security requirements for information they collect.

9. The statute requires that ERA payments not be duplicative of any other federally-funded rental assistance provided to an eligible household. Are tenants of federally subsidized housing, e.g., Low Income Housing Credit, Public Housing, or Indian Housing Block Grant-assisted properties, eligible for ERA?

An eligible household that occupies a federally-subsidized residential or mixed-use property may receive ERA assistance, provided that ERA funds are not applied to costs that have been or will be reimbursed under any other federal assistance.

If an eligible household receives a monthly federal subsidy (e.g., a Housing Choice Voucher, Public Housing, or Project-Based Rental Assistance) and the tenant rent is adjusted according to changes in income, the renter household may not receive ERA assistance.

If a household receives rental assistance other than the ERA, the ERA assistance may only be used to pay for costs, such as the tenant-paid portion of rent and utility costs, that are not paid for by the other rental assistance. Pursuant to section 501(k)(3)(B) of Subdivision N of the Act and 2 CFR 200.403, when providing ERA assistance, the grantee must review the household's income and sources of assistance to confirm that the ERA assistance does not duplicate any other assistance, including federal, state, and local assistance provided for the same costs.

10. May a grantee provide assistance to households for which the grantee is the landlord?

Yes, a grantee may provide assistance to households for which the grantee is the landlord provided that the grantee complies with the all provisions of the statute and this guidance and that no preferences beyond those outlined in the statute are given to households that reside in the grantee's own properties.

11. May a grantee provide assistance for arrears that have accrued before the date of enactment of the statute?

Yes, but not before March 13, 2020, the date of the emergency declaration pursuant to section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5191(b).

12. May a grantee provide assistance to a renter household with respect to utility or energy costs without also covering rent?

Yes. A grantee does not need to provide assistance with respect to rent in order to provide assistance with respect to utility or energy costs. The limitations in section 501(c)(2)(B) of Division N of the Act limiting assistance for prospective rent payments do not apply to the provision of utilities or home energy costs.

13. May a grantee provide ERA assistance to homeowners to cover their mortgage payment, utilities, or energy costs?

No. The statute requires that ERA assistance be provided only to eligible households, which is defined to include only households that are obligated to pay rent on a residential dwelling.

14. The statute provides that ERA funds may be used for "other expenses" as related to housing incurred due, directly or indirectly, to COVID-19, as defined by the Secretary. What are some examples of these "other expenses"?

The Secretary has not made such a determination at this time.
