Re: Compton Renewal

Please see below supporting reasons for pricing adjustment request.

- Cost of supplies/testing has increased on average 15% since the last contractual period
- No Fee increase (adjusted for cost of living) has been made since 2018 – Thus, a 5% cost of living increase is added for a total increase of 20%
- Hourly rate increased from \$200 to \$250 in other counties 2 years ago, based upon 21 years of experience and expertise brought to evaluations

Sincerely yours,
