## MEMO

Date: November 8, 2021  
To: Commissioners Court  
From: Tracy Homfeld, P.E., Assistant Director of Engineering  
Subject: Request Approval to accept the roads within Colina Creek Estates phase 2 for county maintenance

---

Commissioner's Court approved the plat for the above-mentioned subdivision on July 10, 2007. The infrastructure was completed according to county specifications and inspected by the Collin County Engineering and Public Works staff. The infrastructure entered into a 2-year maintenance period on June 6, 2018. The maintenance period is complete and the owner has completed the required repairs as requested by County Engineering and Public Works staff. Once approved, Public Works will include these roads on their maintenance list. The Final Plat is attached to show the sections of roads that are up for maintenance consideration.

We request Commissioner Court consideration of approval to accept the roads within Colina Creek Estates phase 2 for County Maintenance.
