RE: County Clerk FY 2022 Proposed Fee Schedule Amendment

During the 87<sup>th</sup> Regular Legislative Session, several amendments were made to the statutes that govern how the County Clerk assesses filing fees for civil, probate and guardianship cases. Senate Bill 41 87(R) repealed certain statutes thereby eliminating related fees and amended other statutes that increased current fees and added new fees.

The attached amendment to the County Clerk's FY 2022 Fee Schedule reflects the legislative changes, which are effective January 1, 2022.

In addition, there is a recommendation to exclude the Constables and Sheriff from notice of sale recording fees.

To the best of my knowledge, these fees are accurate per legislative interpretation.
