Please Note:

The dollar amount of the individual purchase orders reflected on this report may not always match your records due to shipping costs, credits, returns, or other adjustments. The total quantity of purchase orders on this report may also not reflect your records due to the method the PO was sent to TIPS: Automated Vendor (Vendor self-reports POs at end of each month), PO System (Member sent TIPS the PO for pricing verification before purchase), Confirmation Only (Member sent PO to TIPS after purchase) or Non-Reported (Neither Member or Vendor reported the PO to TIPS). Please view our Rewards Qualifications for best practices on reporting PO's to ensure maximum TIPS Rewards Dollars
