Re: Tyler Technologies Modria Online Dispute Resolution

The Collin County Information Technology Department requests approval to amend the original June 17, 2019 Modria Online Dispute Resolution agreement with Tyler Technologies to reflect recent legislation with Senate Bill 41.

Senate Bill 41 takes effect on January 1, 2022 and makes mandatory the capture of filing fees for the use of an alternative dispute resolution system – a funding model Collin County previously invoked as optional. Therefore, there is no budgetary impact to the County.
