Re: Renewal 2020-199 Disaster Debris Removal

Honorable Court,

I respectfully request Commissioners Court to consider and approve the renewal of contract 2020-199 Disaster Debris Removal (Emergency) with CrowderGulf, LLC. This contract is for the cleanup and processing of debris following a debris generating disaster, such as a tornado or winter storm, in which the amount of debris exceeds the County's ability to abate it. There are no costs associated with the RFP until the contract is activated following a debris generating event.
