RE: District Attorney Testing of Forensic Evidence Grant FY2023

I am requesting approval from Commissioners Court to apply for the District Attorney Testing of Forensic Evidence Grant, FY2023. This grant is provided through the Governor's Criminal Justice Division. My office was awarded funds from the FY2022 Grant and we are currently using these funds to test multiple drugs for high-level offenders and to test drugs that the DPS labs are unable to analyze. This grant will prevent drug cases from being backlogged at local law enforcement agencies and my office. It will expedite justice to high level offenders and rehabilitation programs for low-level offenders. The Grant period runs from September 1, 2022 to August 31, 2023.
