Re: Tyler Technologies Modria Online Dispute Resolution

On December 13, 2021, Commissioners Court approved Court Order 2021-1240-12-13, an Amendment to the original Tyler Technologies Modria Agreement, to better coincide with Senate Bill 41.

That Amendment specifically identified initial filings as subject to fee capture for alternative dispute resolution purposes. Further investigation of SB41 qualifies both initial and subsequent filings for capture. Therefore, the Collin County Information Technology Department requests approval to amend the December 13, 2021 Amendment to reflect this legislation.

Senate Bill 41 took effect on January 1, 2022 and makes mandatory the capture of filing fees for the use of an alternative dispute resolution system – a funding model Collin County previously invoked as optional. Therefore, there is no budgetary impact to the County.
