Re: Information-Re Route CR 124 and CR 161

As part of its Ridge Road Extension project, the City of McKinney will replace the intersection of CR124/CR161 with a four lane concrete section incorporating a roundabout as depicted in Exhibit A. Although portions of the new construction will be outside the city limits, McKinney will maintain the new concrete roadway. The contractor is scheduled to begin construction in March and expected to finish in September.
