Re: Mass Gathering Permit – The Garden Show 2022

The Mass Gathering Permit for the 2022 Garden Show to be held on March 19th and 20th, 2022, at Myers Park and Event Center has been reviewed and approved by the Collin County Sheriff's Office. The traffic plan appears sufficient to allow for the safe coming and going of the anticipated crowd. The security plan calls for two officers and we believe this is sufficient to ensure proper security and crowd control.

As long as the Collin County Fire Marshall's Office approves the event, I see no reason to object to the issuance of the Mass Gathering Permit.
