Work Delays:

This proposal for installation work has been estimated by working in a continuous manner, free from debris from other trades or delays preventing work during normal business hours. If DRI work under this proposal is interrupted by no fault of DRI, then a Minimum \$500 per incident rescheduling fee will apply. DRI will make every effort to accomodate where applicable.

Warranty:

Digital Resources certified system installation work carries a 1 year on-site workmanship guarantee. All new equipment provided will have a 1 year minimum manufacturer warranty. DRI will provide free telephone support and will have a 48 hour response on service requests. Warranty service will cover the repair or replacement of equipment that is equal to or equivalent loaner equipment where applicable. Any product defects and or failures will be subject to the specific manufacturer's warranty repair or replacement policy, which may or may not include the cost of on-site service labor. If the field engineer/technician determines that the defect is not relative to failed physical workmanship of the installation provided by DRI, standard service rates may be applied and billed accordingly. On-site labor to inspect, trouble shoot, remove and install faulty equipment is not included under the warranty and is subject to standard DRI service rates. All freight charges to return warranty repairs and/or returns will be billed accordingly.

Digital Resources strives to offer excellent service and support. Please consult with our company representative for information on additional service level agreement options.
