Re: Withdrawal of Request for \$568,000 in Out-of-County-Housing Funds from Commissary

In AI-51815 of the Commissioners Court's March 28, 2022 agenda, the SO submitted a request for \$705,692.11 in commissary funds for various purposes, including **\$568,000** in funds for LaSalle Corrections to house inmates out of county. The SO included that request by mistake, and I am withdrawing it. The new total should be **\$137,692.11**. Thank you.
