Re: FLOCK MOU

Attached you will find the Memorandum of Understanding (MOU) between Flock Group, Inc. and Collin County Sheriff's Office. This MOU is being submitted for your approval.

The Sheriff's Office desires to access Flock's technology platform and Flock Safety dashboard to locate fugitives. No financial commitment by the County is required to access the Flock Services or Recordings. This agreement will commence once executed by both parties and shall continue for a period of five years.
