Re: Information-Reconstruction of County Road 228

The developers of Trinity Falls Subdivision and Wilson Tract are reconstructing County Road 228 as a two lane concrete section, to be named Olympic Crossing. The alignment is shown on Exhibit A.

The western 2,000 ft. of CR 228 is currently shared by McKinney and Collin County. In this section the new road will be 24 ft. wide and will be placed within right of way dedicated to the City of McKinney. The north half of the road will be outside the City limits and in the County.

The City of McKinney will be responsible for road maintenance.
