PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT is made and entered by and between COLLIN COUNTY, TEXAS, a political subdivision of the State of Texas, hereinafter referred to as “County”, and _____, a _____ company, hereinafter referred to as “Firm”, to be effective from and after the date as provided herein.

WITNESSETH:

WHEREAS, the County desires to engage the services of the Firm to complete a Historic Structure Report (HSR) and provide construction phase services for two structures at the Collin County Myers Park and Event Center; and

WHEREAS, the Firm desires to render such professional services for the County upon the terms and conditions provided herein.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That for and in consideration of the covenants contained herein, and for the mutual benefits to be obtained hereby, the parties hereto agree as follows:

I. Retention of the Firm

The County hereby agrees to retain the Firm to perform professional services in connection with the Project; Firm agrees to perform such services in accordance with the terms and conditions of this Agreement, exercising the same degree of care, skill, and diligence as is ordinarily possessed and exercised by a member of the same profession, currently practicing, under similar circumstances.

II. Scope of Services

2.1 Before commencing work on any project the Firm shall submit his proposed fee in writing. Should the fee not be acceptable, Collin County will have the right to contact the next most qualified Firmural firm per RFQ 2022-120 and attempt to negotiate a fair and reasonable price per section 2254.004 of the Texas Government Code. Work for each phase shall be preceded by a Notice to Proceed issued by County. The parties understand and agree that deviations or modifications in the form of written change orders may be authorized from time to time by the County.

2.2 The Firm will serve as the County’s professional representative under this Agreement, providing professional services, consultation, advice and furnishing customary services incidental thereto. The Firm agrees to cooperate and coordinate with other design professionals, the County and its contractors to help facilitate efficient construction of the Project and maintain the Project schedule.

2.3 The Firm shall advise the County with regard to the necessity for subcontract work such as special surveys, tests, test borings, or other subsurface investigations in connection with design work to be performed hereunder. The Firm shall also advise the County concerning the results of same. Such survey, test, and investigations shall be furnished to the County.

2.4 The presence or duties of the Firm’s personnel at a construction site, whether as on-site representatives or otherwise, do not make the Firm or its personnel in any way responsible for those

duties that belong to County's construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including but not limited to, all construction methods, means, techniques, sequences and procedures necessary for completing all portions of the construction work in accordance with the Contract Documents and any health or safety precautions required by such construction work. The Firm and its personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions.

2.5 The Firm will make periodic recommendations for periodic construction progress payments to the construction contractor. Recommendations by the Firm to the County for periodic construction progress payments to the construction contractor will be based on the Firm's knowledge, information, and belief, from sampling and observation, that the work has progressed to the point indicated. Such recommendations do not represent that there are not other matters at issue between the County and the construction contractor that affect the amount that should be paid.

2.6 The Firm agrees to provide a complete and coordinated set of drawings and specifications for the construction of the Project, exercising the same degree of care, skill, and diligence as is ordinarily possessed and exercised by a member of the same profession, currently practicing, under similar circumstances. Construction drawings, specifications, and other construction documents prepared by the Firm or its consultants and submitted to the County for approval or contractors for bidding or negotiation purposes shall be complete and capable of construction "as is". While the utility of communications between design professionals and construction contractors for the purpose of clarifying design intent is recognized, the Project should be capable of construction without the necessity of formal revisions or contract modifications to provide missing design information after construction contracts are awarded. Said documents shall comply with all applicable codes, ordinances, statutes, and regulations governing the design of the Project.

2.7 The Firm shall assist the County in the preparation and filing of documents required for the approval of governmental authorities having jurisdiction over the Project.

III. Schedule of Services

Firm shall not be considered in default of this Agreement for delays in performance caused by circumstances beyond its reasonable control. Should such circumstances occur, the Firm shall, within a reasonable time of being prevented from performing, give written notice to the County describing the circumstances preventing continued performance and the efforts being made to resume performance of this Agreement.

3.2 In the event that the Firm is delayed in the progress of the work on the Project by an act or neglect of the County, County's employees, separate contractors employed by the County, by changes ordered in the Project, fire, adverse weather conditions not reasonably anticipated, unavoidable casualties or other causes beyond the Firm's control, delay authorized by the County pending arbitration, or by other causes which the County and Firm agree may justify delay, then the Contract Time shall be reasonably extended by Change Order. The County shall have the right at any time to delay or suspend the work or any part thereof for any reasonable time, and if this happens, the Firm's sole remedy for any delays or suspension shall be an extension of time. The County shall not be independently liable to the Firm for any delay or interference caused by circumstances beyond the County's control or any delay caused by any other person or entity.

5.2 The County will make its facilities accessible to the Firm as required for the Firm's performance of its services. The Firm represents that it understands the scope of this Agreement and has reviewed and inspected the Project sites, and can fully perform its obligations pursuant to this Agreement. Any failure of the Firm to acquaint itself with the available information will not relieve the Firm from its responsibilities pursuant to this Agreement.

8.2 In claims against any person or entity indemnified under this Section 8.1 by an employee of the Firm, anyone directly or indirectly employed by the Firm or anyone for whose acts the Firm may be liable, the indemnification obligation under this Section 8.1 shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Firm under workers' compensation acts, disability benefit acts or other employee benefit acts.

8.3 The Firm must be in compliance with the provisions of Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code. The Firm shall perform services (1) with professional skill and care ordinarily provided by competent Firms practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent Firm.

In the performance of services hereunder, the Firm shall be deemed an independent contractor and shall not, with respect to its acts or omissions, be deemed an agent, subcontractor or employee of the County.

X. Assignment and Subletting

The Firm agrees that neither this Agreement nor the services to be performed hereunder will be assigned or sublet without the prior written consent of the County. The Firm further agrees that the assignment or subletting of any portion or feature of the services required in the performance of this Agreement shall not relieve the Firm from its full obligations to the County as provided by this Agreement.

XI. Audits and Records/Prohibited Interest

11.1 The Firm agrees that at any time during normal business hours, and as often as County may deem necessary, Firm shall make available to representatives of the County for examination all of its records with respect to all matters covered by this Agreement, and will permit such representatives of the County to audit, examine, copy and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement, all for a period of three (3) years from the date of final settlement of this Agreement or of such other or longer period, if any, as may be required by applicable statute or other lawful requirements.

Further, a lawful representative of Firm shall execute the Affidavit shown in Exhibit "E". Firm understands and

agrees that the existence of a prohibited interest during the term of this Agreement will render the agreement voidable.

11.3 The Firm acknowledges to the County that it has made full disclosure in writing of any existing conflicts of interest or potential conflicts of interest, including personal financial interest, direct or indirect, in property abutting the proposed Project and business relationships with persons or entities with interest in abutting properties.

In the event of such termination without cause, Firm shall deliver to County all finished or unfinished documents, data, studies, surveys, drawings, maps, models, reports, photographs or other items prepared by Firm in connection with this Agreement. Firm shall have the right to terminate this Agreement upon thirty (30) days written notice to County in the event of the County's breach of any material term of this Agreement, including but not limited to compensation and method of payment. Regardless of which party initiates termination, Firm shall be entitled to compensation for any and all services completed to the satisfaction of County in accordance with the provisions of this Agreement prior to termination.

XIII. Cost Estimates

The parties recognize and agree that any and all Firm's estimates of probable construction costs (estimates) prepared by Firm in connection with the Project represent the best judgment of Firm as a design professional familiar with the construction industry, but that the Firm has no control over costs or the price of labor, equipment or materials or over the Contractor's methods of pricing and does not guarantee that any bids solicited or received in connection with the Project will not vary from estimates prepared by Firm.

XIV. Ownership of Documents

Original drawings and specifications (Instruments of Service) created by Firm are the property of the Firm; however, the Project is the property of the County, and Firm may not use the drawings and specifications for any purpose not relating to the Project without County's consent. County shall be furnished with such reproductions of drawings and specifications as County may reasonably require. Upon completion of the services or any earlier termination of this Agreement under Article XII, and payment in full of all monies due Firm, Firm will revise drawings to reflect significant changes made during construction as per the marked-up prints, drawings, and other data furnished to the Firm by or through the County or Contractor. Firm will promptly furnish the County with one (1) complete set of reproducible record prints. All such reproductions shall be the property of the County who may use them without the Firm's permission for any proper purpose relating to the Project, including but not limited to, maintenance of the Project, additions to the Project, or completion of the Project. The aforementioned revisions will be based upon information supplied by the County's construction contractor and will be assumed by Firm to be complete and accurate. As such, Firm shall not be responsible for errors or omissions resulting therefrom. Prints shall be furnished, as an additional service, at any other time requested by County. The County may use such drawings in any manner it desires; provided, however, that the Firm shall not be liable for the use of such drawings for any project other than the Project described herein.
