CITY OF ANNA, TEXAS ORDINANCE NO. <u>953 - 202</u>1

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ANNA, TEXAS, DESIGNATING A GEOGRAPHIC AREA WITHIN THE CITY AS A TAX **INCREMENT** REINVESTMENT ZONE PURSUANT TO CHAPTER 311 OF TEXAS TAX CODE, TO BE KNOWN REINVESTMENT ZONE NUMBER SIX, CITY OF ANNA, TEXAS; DESCRIBING THE BOUNDARIES OF THE ZONE; CREATING A BOARD OF DIRECTORS FOR THE ZONE APPOINTING MEMBERS OF THE ESTABLISHING A TAX INCREMENT FUND FOR THE ZONE; CONTAINING FINDINGS RELATED TO THE CREATION OF THE ZONE; PROVIDING A DATE FOR THE TERMINATION OF THE ZONE; PROVIDING THAT THE ZONE TAKE EFFECT IMMEDIATELY UPON PASSAGE OF THE **ORDINANCE**; **PROVIDING SEVERABILITY** CLAUSE; **AND PROVIDING** AN EFFECTIVE DATE.

WHEREAS, notice of the public hearing on the creation of the proposed zone was published in a newspaper of general circulation within the County, on December 6, 2021, which date is not later than the seventh (7th) day before the public hearing held on December 14, 2021; and

WHEREAS, terms used in this Ordinance that have their initial letters capitalized shall have the meanings given to them in this Ordinance; however, terms that are CAPITALIZED IN BOLD shall have the meanings given to them in the Preliminary Project and Finance Plan.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ANNA, TEXAS:

SECTION 1. FINDINGS.

- (a) The recitals, findings, and determinations contained in the preamble to this Ordinance are incorporated into the body of this Ordinance as if fully set forth in this Section and are hereby found and declared to be true and correct legislative findings and are adopted as part of this Ordinance for all purposes.
- (b) The City Council finds that the **PUBLIC IMPROVEMENTS** will significantly enhance the value of all the taxable real property in the zone and will be of general benefit to the City.
- (c) The City Council finds that the proposed zone meets the requirements of Section 311.005(a)(2) of the Act in that:
 - (i) there is a need for essential public infrastructure and economic development programs to attract new business and commercial activity to the proposed zone for the purposes of increasing the real property tax base for all taxing units within the zone, increasing sales and use taxes for the City and the State of Texas, and increasing job opportunities for residents of the City and the region; and
 - (ii) the reinvestment zone, as shown in **Exhibit A**, meets the criteria for the creation of a reinvestment zone set forth in Section 311.005 of the Act in that the area is predominantly open or undeveloped and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impairs and arrests the sound growth of the municipality.
- (d) The City Council finds that the proposed zone is a geographic area 100% within the City's corporate limits or extraterritorial jurisdiction.
- (e) The City Council finds that not more than thirty percent (30%) of the property in the proposed zone, excluding property that is publicly owned, is used for residential purposes, and the total appraised value of taxable real property in the proposed zone does not exceed fifty percent

(50%) of the total appraised value of taxable real property in the City and in the industrial districts created by the City.

- (f) The City Council finds that the development or redevelopment of the property in the proposed zone will not occur solely through private investment in the reasonably foreseeable future.
 - (g) The City Council finds that the Preliminary Project and Finance Plan is feasible.
- (h) The City Council finds that the implementation of the Project and Finance Plan (as defined below) will alleviate the conditions described in Section 1(c) above and will serve a public purpose.

<u>SECTION 2</u>. <u>DESIGNATION AND NAME OF THE ZONE</u>. Pursuant to the authority of, and in accordance with the requirements of the Act, the City Council hereby designates the Property as a tax increment reinvestment zone. The name assigned to the zone for identification is Reinvestment Zone Number Six, City of Anna, Texas (the "<u>Zone</u>"). The Zone is designated pursuant to Section 311.005(a)(2) of the Act.

SECTION 3. BOARD OF DIRECTORS.

- 3.1 The City Council hereby creates a board of directors for the Zone (the "Board") consisting of nine members. Seven members shall be appointed by the City Council to Places 1,2,3,4, 5, 6, and 7. Place 8 shall be appointed by the Commissioners Court of Collin County, Texas (the "County"), if the County participates in the Zone. If the County does not participate in the Zone, the Commissioners Court shall be deemed to have waived its right to appoint such members and the Place goes away.
- 3.2 The City Council hereby appoints the following individuals to serve as the initial members of the Board for the terms indicated:

Place 1	Mayor	(term expires December 31, 2024)
Place 2	Council Place 1	(term expires December 31, 2024)
Place 3	Council Place 2	(term expires December 31, 2022)
Place 4	Council Place 3	(term expires December 31, 2023)
Place 5	Council Place 4	(term expires December 31, 2022)
Place 6	Council Place 5	(term expires December 31, 2023)
Place 7	Council Place 6	(term expires December 31, 2022)

Place 8 shall be appointed by the County for a term that expires December 31, 2023.

Upon expiration of the indicated terms or upon City Council action to reconstitute the initial Board by appointing replacement members, subsequent appointments to fill vacancies shall be for terms of two years. The member appointed to Place 1 shall serve as the chairman of the Board. The Board is authorized to elect a vice-chairman and other officers as determined by the Board.

- 3.3 The Board shall make recommendations to the City Council concerning the administration, management, and operation of the Zone. The Board shall prepare or cause to be prepared and adopted a project plan and a reinvestment zone financing plan for the Zone (the "Project and Finance Plan") as required by the Act, and shall submit the Project and Finance Plan to the City Council for approval. The City Council hereby delegates to the Board all powers necessary to implement any Project and Finance Plan approved by the City Council, including the power to employ consultants and enter into agreements that the Board considers necessary or convenient to implement the Project and Finance Plan and to administer, operate, and manage the Zone including, but not limited to, the power to enter into reimbursement agreements and other obligations secured by the TIRZ FUND established pursuant to Section 6 of this Ordinance.
- 3.4 Directors shall not receive any salary or other compensation for their services as directors.
- 3.5. Pursuant to Section 311.010(h) of the Act and Article III, Section 52-a of the Texas Constitution, the City Council hereby authorizes the Board, as necessary or convenient to implement the Project and Finance Plan and achieve its purposes, to establish and provide for the administration of one or more programs for the public purposes of developing and diversifying the economy of the Zone, eliminating unemployment and underemployment in the Zone, and developing or expanding transportation, business, and commercial activity in the Zone, including programs to make grants of land and buildings and make grants from the TIRZ Fund for activities that benefit the Zone and stimulate business and commercial activity in the Zone. In addition, the City Council hereby authorizes the Board to exercise all of the powers of the City under Chapter 380, Texas Local Government Code, as amended.
- SECTION 4. DURATION OF THE ZONE. The Zone shall take effect immediately upon the passage and approval of this Ordinance. The Zone shall terminate on December 31, 2051 (with final year's tax to be collected by September 30, 2052), unless otherwise terminated in accordance with this section. The City shall have the right to terminate the Zone prior to the expiration of its stated term if all of the **PROJECT COSTS** have been paid in full. If upon expiration of the stated term of the Zone, **PROJECT COSTS** have not been paid, the City and the County, shall have no obligation to pay the shortfall.
- SECTION 5. TAX INCREMENT BASE. The "tax increment base" for purposes of calculating the CITY TAX INCREMENT, and if the County participates in the Zone the COUNTY TAX INCREMENT, and means the total appraised value of all real property in the Zone that is taxable by the City and the County, respectively, as of January 1, 2021.
- SECTION 6. CAPTURED APPRAISED VALUE. The "captured appraised value" for purposes of calculating the annual CITY TAX INCREMENT, and if the County participates in the Zone the COUNTY TAX INCREMENT, means the total real property value taxable (including increase tax values attributable to changes in use) by a taxing unit for a year and located in the Zone for that year less the tax increment base of the unit.
- <u>SECTION 7</u>. <u>TAX INCREMENT FUND</u>. There is hereby created and established a **TIRZ FUND** for the Zone. Within the **TIRZ FUND**, there may be maintained subaccounts as necessary

and convenient to carry out the purposes of the Act. The CITY TAX INCREMENT and COUNTY TAX INCREMENT shall be deposited into the TIRZ FUND as of the effective date of the Zone. The TIRZ FUND and all subaccounts shall be maintained at the depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. Prior to termination of the Zone, funds shall be disbursed from the TIRZ FUND only to pay PROJECT COSTS.

SECTION 8. SEVERABILITY. If any provision, section, subsection, sentence, clause or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be invalid, the validity of the remaining provisions of this Ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no provision of this Ordinance shall become inoperative because of the invalidity of another provision; and, therefore, all provisions of this Ordinance are declared severable for that purpose.

SECTION 9. OPEN MEETINGS. It is hereby found, determined, and declared that sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at the City Hall of the City for the time required by law preceding its meeting, as required by the Texas Open Meetings Act, Chapter 551 of the Texas Government Code, as amended, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

1.1 Authority and Purpose.

The City of Anna, Texas, a Texas home-rule municipality (the "City"), has the authority under Chapter 311, Texas Tax Code, as amended (the "Act") to designate a contiguous or noncontiguous geographic area within the corporate limits of the City as a tax increment reinvestment zone to promote development or redevelopment of the area if the governing body of the City (the "City Council") determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future, that the zone is feasible, and that creation of the zone is in the best interest of the City and the property in the zone. The purpose of the Zone is to facilitate such development or redevelopment by financing the costs of public works, public improvements, programs, and other projects benefiting the zone, plus other costs incidental to those expenditures, all of which costs are authorized by the Act.

1.2 Eligibility Requirements.

An area is eligible under the Act to be designated as a tax increment reinvestment zone if it either (1) substantially arrests or impairs the sound growth of the municipality designating the Zone, retard the provision of housing accommodations, or constitutes an economic or social liability and is a menace to the public health, safety, morals, or welfare in its present condition, or (2) is predominantly open or undeveloped and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impairs or arrests the sound growth of the City, (3) is in a federally assisted new community located in the City or in an area immediately adjacent to a federally assisted new community, or (4) is in an area described in a petition requesting that the area be designated as a reinvestment zone, if the petition is submitted to the governing body of the City by the owners of property constituting at least fifty percent (50%) of the appraised value of the property in the area according to the most recent certified appraisal roll for the county in which the area is located. The City cannot, however, designate a zone if more than 30% of the property in the proposed zone, excluding property that is publicly owned, is "used for residential purposes" (defined by the Act as follows: "... property is used for residential purposes if it is occupied by a house having fewer than five living units ...") or if the total appraised value of taxable real property in the proposed zone and in existing reinvestment zones exceeds 50% of the total appraised value of taxable real property in the City and in industrial districts created by the City. As shown on Table 1 below, the Zone (hereinafter defined) is compliant with the Act.

Table 1

	The Zone	Statutory Maximum
Residential % of TIRZ	17.93%	30%
% of City's Taxable Value	7.25%	50%

1.3 The Proposed Zone.

The City is considering the creation of a tax increment reinvestment zone to be known as "Reinvestment Zone Number Six, City of Anna, Texas" (the "Zone") that will include approximately 1,345.63 acres which parcels are depicted on Exhibit A and identified on Exhibit G (the "Property"). The Property is currently zoned Planned Development, Restricted Commercial, Single-Family, Central Business Redevelopment District, Multiple Family Residential - Low Density, Manufactured Home Park District, Light Industrial District, Agricultural District, Two-Family Residential, and General Commercial. The Property has some undeveloped areas, and due to its size, location, and physical characteristics, redevelopment will not occur solely through private investment in the foreseeable future. Other portions of the Property substantially impair and arrest the sound growth of the City as it is predominately unproductive or underdeveloped due to factors such as the aging of public infrastructure and the need for economic incentives to attract redevelopment to the Zone for the purpose of providing long-term economic benefits including, but not limited to, increased real property tax base for all taxing units in the Zone, increased sales and use tax for the City and the State of Texas, and increased job opportunities for residents of the City, Collin County, Texas (the "County"), and the region. If the public works, public improvements, programs, and other projects are financed as contemplated by the Final Plan (hereinafter defined), the City envisions that the Property will be developed to take full advantage of the opportunity to bring to the City, the County, and to all of the region quality developments.

1.4 Preliminary Plan; Hearing.

Before the City may adopt an ordinance designating the Zone, the City Council must prepare a preliminary reinvestment zone financing plan in accordance with the Act and hold a public hearing on the creation of the proposed Zone and its benefits to the City and to the Property, at which public hearing interested persons may speak for or against the creation of the proposed Zone, the boundaries of the proposed Zone, and the concept of tax increment financing, and at which hearing the owners of the Property are given a reasonable opportunity to protest the inclusion of their property in the proposed Zone. The requirement of the Act for a preliminary reinvestment zone financing plan is satisfied by this Preliminary Plan, the purpose of which is to describe, in general terms, the public works, public improvements, programs, and other projects that will be undertaken and financed by the Zone. A more detailed description of how such public works, improvements, programs, and projects will be undertaken and financed will be determined by the Final Plan (hereinafter defined), which require approval by the TIRZ Board (hereinafter defined) and by the City Council.

<u>1.5</u> <u>Creation of the Zone</u>.

Upon the closing of the above-referenced public hearing, the City Council may adopt an ordinance in accordance with the Act creating the Zone (the "<u>Creation Ordinance</u>") if (1) the City Council finds that development or redevelopment of the Property would not occur solely through private investment in the reasonably foreseeable future, (2) that the Zone is feasible, (3) that

improvements in the Zone will significantly enhance the value of all the taxable real property in the Zone and will be of general benefit to the City, and (4) that the Property is primarily open and undeveloped and meets the eligibility requirements of the Act. Among other provisions required by the Act, the Creation Ordinance will appoint a Board of Directors for the Zone (the "TIRZ Board").

1.6 TIRZ Board Recommendations.

After the creation of the Zone, the TIRZ Board will review and recommend to the City Council (1) a Reinvestment Zone Number Six, City of Anna, Texas, Final Project and Finance Plan (as amended from time to time, the "Final Plan"), pursuant to which the City will contribute a portion of its ad valorem tax increment (the "City Tax Increment") attributable to new development in the Zone into a tax increment fund created by the City and segregated from all other funds of the City (the "TIRZ Fund") to the costs of public works, public improvements, programs, and other projects benefiting the Zone; and (2) a "County Participation Agreement" between the City and the County pursuant to which the County will contribute a portion of its ad valorem tax increment attributable to new development in the Zone (the "County Tax Increment") into the TIRZ Fund to pay such costs.

1.7 Council Action.

The City Council will take into consideration the recommendations of the TIRZ Board, and will consider approval of the Final Plan, and the County Participation Agreement, as appropriate. If the County Participation Agreement is approved, the City Council will authorize and direct its execution when the agreement has been approved by the County.

Section 2: Descriptions and Maps

2.1 Existing Uses and Conditions.

The Property is currently located in the corporate limits and extraterritorial jurisdiction of the City and is zoned Planned Development, Restricted Commercial, Single-Family, Central Business Redevelopment District, Multiple Family Residential — Low Density, Manufactured Home Park District, Light Industrial District, Agricultural District, Two-Family Residential, and General Commercial. The Property is underdeveloped, and there is limited and aging public infrastructure to support future development. Development will require more public infrastructure that: (1) the City cannot provide; and (2) will not be provided solely through private investment in the foreseeable future. A map of the Property and the proposed Zone are shown on **Exhibit A**.

2.2 <u>Proposed Uses.</u>

A map of the Property and proposed uses of the Property are shown on **Exhibit B**.

2.3 Parcel Identification.

The parcels identified on **Exhibit G** provide sufficient detail to identify with ordinary and reasonable certainty the territory included in the Zone.

Section 3: Proposed Changes to Ordinances, Plans, Codes, Rules, and Regulations

The Property is wholly located in the corporate limits and extraterritorial jurisdiction of the City and is or shall be subject to the City's zoning regulation. The City has exclusive jurisdiction over the subdivision and platting of the property within the Property, and the design, construction, installation, related to inspection of water, sewer, drainage, roadway, and other public infrastructure.

Section 4: Relocation of Displaced Persons

No persons will be displaced or relocated due to the creation of the Zone or implementation of the Final Plan.

Section 5: Estimated Non-Project Costs

Non-project costs are private funds that will be spent to develop in the Zone but will not be financed by the Zone. The list of non-project costs includes developer-initiated land assembly within the Zone for private development and property owner initiatives on private property improvements. Non-project costs cannot be accurately detailed at this point in the Zone term, but it is hoped that private sector investment within the Zone will lead to a valuation that will be at least three times the cost of improvements within the Zone.

Section 6: Proposed Public Improvements

<u>6.1</u> <u>Categories of Public Improvements.</u>

The categories of public works and public improvements (the "Public Improvements") that are proposed to be financed by the Zone are as follows: street improvements, right of way acquisition, parking and transportation improvements, water improvements, sanitary sewer improvements, storm drainage improvements, parks and open space improvements, trail improvements, and Economic Development Grants. All Public Improvements shall be designed and constructed in accordance with all applicable City standards and shall otherwise be inspected, approved, and accepted by the City. At the City's option, the Public Improvements may be expanded to include any other category of improvements authorized by the Act.

6.2 Locations of Public Improvements.

The estimated locations of the proposed Public Improvements are shown and described on **Exhibit C**. These locations are provided for informational purposes only and may be revised from time to time without amending the Final Plan.

6.3 Economic Development Grants

The Zone is authorized to provide economic development grants at the discretion of the City Council, as set forth in one or more economic development agreement(s) pursuant to Chapter 380, Texas Local Government Code, as amended (the "Economic Development Grants").

Section 7: Estimated Project Costs

7.1 Project Costs.

The total project costs for the Zone (the "<u>Project Costs</u>") include the Administrative Costs (defined below) and the costs of the Public Improvements, which are estimated to be \$60.5 million in 2021 dollars, as set forth on **Exhibit D**.

7.2 Public Improvements.

The estimated costs of the Public Improvements (the "Public Improvements") within the Zone are \$60.1 million, as shown on **Exhibit D**.

7.3 Administrative Costs.

The Project Costs for administration of the Zone shall be the actual, direct costs paid or incurred by or on behalf of the City to administer the Zone (the "Administrative Costs"). The Administrative Costs include the costs of professional services, including those for planning, engineering, and legal services paid by or on behalf of the City. The Administrative Costs also include organizational costs, the cost of publicizing the creation of the Zone, and the cost of implementing the project plan for the Zone paid by or on behalf of the City. The Administrative Costs shall be paid each year from the TIRZ Fund before any other Project Costs are paid.

7.4 Estimated Timeline of Incurred Costs.

The Administrative Costs will be incurred annually. It is estimated that the remainder of the Project Costs will be incurred during the time intervals set forth on **Exhibit E**.

Section 9: Economic Feasibility

For purposes of this Preliminary Plan, economic feasibility has been evaluated over the term of the Zone based on the feasibility study (the "Feasibility Study") attached as Exhibit F. This evaluation focuses only on "direct" financial benefits (i.e., tax revenues from new development

in the Zone) and does not take into consideration the "multiplier effect" that will result from new development that occurs outside the Zone. As illustrated in **Table 2** below, during the term of the Zone, new development that occurs in the Zone, which likely would not have occurred but for the Zone, will generate approximately \$71.2 million in total new real property tax revenue over the term of the Zone. The taxing units will benefit from new development in the Zone and retain approximately \$35.6 million as follows:

Table 2

Taxing Entity	G	ross New AV Revenue	C	TIRZ ontribution	Net New AV Revenue
City	\$	55,030,934	\$	27,515,467	\$ 27,515,467
County	\$	16,242,291	\$	8,121,145	\$ 8,121,145
Total	\$	71,273,225	\$	35,636,612	\$ 35,636,612

These projections assume an annual property value inflation factor of 2%, with two years of 0% growth every ten years to simulate a market downturn.

Based on the foregoing, the feasibility of the Zone has been demonstrated. A portion of the new tax revenue generated for all taxing units by new development within the Zone will be retained by those taxing units. The remainder of the new tax revenue generated by new development within the Zone will be available to pay actual Project Costs until the term of the Zone expires or until the Zone is otherwise terminated as hereinafter provided. Upon expiration or termination of the Zone, 100% of all tax revenue generated within the Zone will be retained by the respective taxing units.

Section 10: Estimated Bonded Indebtedness

No bonded indebtedness issued by the City pursuant to the Act is contemplated.

Section 11: Total Appraised Value

The total appraised value of taxable real property in the Zone at the time of creation is estimated at \$118,259,693 (the "Base Taxable Value") and shall be confirmed by the Collin County Appraisal District (the "Appraisal District"). Each year, the Appraisal District shall confirm the current taxable value of the Zone, less the Base Taxable Value (the "Captured Appraised Value"). It is estimated that upon expiration of the term of the Zone, the total appraised value of taxable real property in the Zone will be \$658 million in 2021 dollars.

Section 12: Estimated Captured Appraised Value Taxable by the City

The amount of the City Tax Increment for a year is the amount of property taxes levied and collected by the City for that year on the Captured Appraised Value of the Property. The

estimated Captured Appraised Value of the Zone during each year of its existence is set forth in the Feasibility Study and shall be verified by the Appraisal District. The actual Captured Appraised Value for each year will be used to calculate annual payments by the City into the TIRZ Fund pursuant to the Final Plan. During the term of the Zone, the City will deposit into the TIRZ Fund each year an amount that equals 50% of the City's real property taxes levied and collected that constitute the City's Tax Increment for that year.

Section 13: Estimated Captured Appraised Value Taxable by the County

The amount of the County Tax Increment for a year is the amount of property taxes levied and collected by the County for that year on the Captured Appraised Value. The estimated Captured Appraised Value of the Zone during each year of its existence is set forth in the Feasibility Study and is verified by the Appraisal District. The actual Captured Appraised Value for each year will be used to calculate annual payments by the County into the TIRZ Fund pursuant to the County Participation Agreement. During the term of the Zone, the County will deposit into the TIRZ Fund each year an amount that equals 50% of the County's real property taxes levied and collected that constitute the County Tax Increment for that year.

Section 14: Method of Financing

The City will, in the future, pay (using the TIRZ Fund) the Project Costs and will construct or cause to be constructed the Public Improvements. The City's approval of the Final Plan, and County Participation Agreement, as applicable, shall obligate the City to pay from the TIRZ Fund actual Project Costs, which shall be reviewed and approved by the City.

Funds deposited into the TIRZ Fund shall always first be applied to pay the Administrative Costs. After the Administrative Costs have been paid, funds in the TIRZ Fund shall next be used to pay or reimburse the Project Costs. All payments of Project Costs shall be made solely from the TIRZ Fund and from no other funds of the City, or the County, unless otherwise approved by their respective governing bodies, and the TIRZ Fund shall only be used to pay the Project Costs.

Section 15: Duration of the Zone; Termination

The term of the Zone shall commence immediately upon passage by the City Council of an ordinance creating the Zone and shall continue until December 31, 2051, with final collection anticipated by September 30, 2052. If upon expiration of the stated term of the Zone the Project Costs have not been paid, the City, and the County shall have no obligation to pay the shortfall. The provisions of this section shall be included in the Creation Ordinance, and County

Participation Agreement, as appropriate. Nothing in this section is intended to prevent the City from extending the term of the Zone in accordance with the Act.

Section 16: Economic Development Program

The City Council and the TIRZ Board have determined it to be necessary and convenient to the accomplishment of the objectives of the Zone to establish and provide for the administration of economic development programs that may be used to incentivize development. The economic development programs established in this Section is authorized by Section 311.010(h) of the Act and by Article III, Section 52-a, Texas Constitution, as amended (the "Economic Development Provision"). The Economic Development Provision provides that the TIRZ Board, subject to the approval of the City Council, may establish and provide for the administration of one or more programs as the TIRZ Board determines is necessary or convenient to implement and achieve the purposes of the Final Plan, which programs are for the public purposes of developing and diversifying the economy of the Zone and developing business and commercial activity within the Zone. This section is intended to designate an economic development program as authorized by the Economic Development Provision, (the "Economic Development Program").

Such Economic Development Program may include, to the extent permitted by the law, programs to make grants of any lawfully available money from the TIRZ Fund, including activities that benefit the Zone and stimulate business and commercial activity in the Zone. The Economic Development Program will further the public purpose of developing and diversifying the economy of the Zone. All grants that are part of the Economic Development Program described in this Section serve the public purpose of attracting new business and commercial activity to the Zone for the purpose of providing long-term economic benefits including, but not limited to, increases in the real property tax base for all taxing units within the Zone, and increased job opportunities for residents of the City, County, and the region.
