Hello,

A new grant opportunity has opened for Texas Law Enforcement. "Operation Slow Down" funding will be granted to agencies for High Visibility Deterrence Patrols. Due to a significant increase in speed related (fatality/serious bodily injury) crashes in your jurisdiction, your agency has been identified as a high priority. With this considered, your participation in this 2-week initiative is important.

As I have been tasked with overseeing the recruitment process, budget negotiations, and grant building, I would appreciate a response indicating your interest. In the interest of time, I have added a voting button at the top of this email. You can reply to this email with a "yes, no, or maybe" or use the voting button to respond.

If you have any questions, please do not hesitate to contact me. Stay well and be safe.

Regards,

Katie Alexander
