PRESENTER: Gabriel Johnson, Public Works Director

TITLE: Price Agreement for Surface Sealing Treatment with Innovative Roadway Solutions (up to \$200,000 annually). This agreement will be for one year with the option to renew for four additional one-year periods totaling \$1,000,000 if all extensions are exercised. RECOMMENDED ACTION: Approve

ANALYSIS:

The price agreement is for the purchase and application of a surface sealant treatment to slow the deterioration of asphalt roadways. These treatments keep water out of the pavement, prevent oxidation of the asphalt, and maintain good skid resistance.

Notice of bid # 21063 was advertised in the Fort Worth Star Telegram and Public Purchase; it was distributed to nine vendors, including one Grand Prairie vendor and one HUB. One bid was received as shown on attachment A.

The low bid received from Innovative Roadway Systems meets specifications and is recommended for award.
