Re: Contract Amendment – Medical Services for Detained Youth

MEMORANDUM

The Juvenile Probation Department, acting the Collin County Juvenile Board has executed a budget amendment to pay for staffing matrix changes to meet medical services needs for youth lawfully detained in the juvenile detention center. In concert with this budget amendment, the juvenile probation seeks Collin County Commissioners Court consideration and approval to amend the current contract for medical services. The budget amendment to meet the needed increase in the staffing matrix for juvenile medical services is \$77,868.00. Funding to cover this cost is being taken from the department's established operational budget.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
