Kitten season is upon us and we want to make sure you have the tools you need to get through it. In honor of Adopt-a-Shelter-Cat Month, our friends at Advantage® II are offering \$100,000 in Advantage® II cat flea prevention product to 30 shelters and rescues throughout the month of June. That’s 30 chances to win over \$3,300 in product!

We hope these grants will help ease some of the stress your organization may feel during cat and kitten season. Thank you to our compassionate friends at Advantage® II for their part in making these grants possible!
