

# NATIONAL SHERIFFS' ASSOCIATION

June 8, 2022

Dear Sheriff Jim Skinner,

Congratulations on submitting a successful proposal to the National Sheriffs' Association to receive funding for your drug-impaired driving enforcement training (DIDET)!

It is with great pleasure that NSA is awarding the Collin County (Texas) Sheriff's Office a grant in the amount of \$72,467.60 for law enforcement training.

You submitted an outstanding application, and we are excited to work with you over the next 6 months to bring Advanced Roadside Impaired Driving Enforcement (ARIDE) and Drug Recognition Expert (DRE) training opportunities to law enforcement officers in your county and possibly from across the state of Texas.

The DIDET funding is made possible through NSA's Traffic Safety Committee and the cooperative agreement with the National Highway Traffic Safety Administration. This training will increase the number of officers trained and will improve their expertise in detecting drug impaired drivers to save lives on America's roads.

Congratulations again on your comprehensive DIDET plan, and we look forward to its execution.

Sincerely,
