Subject: Resolution Opposing the Annexation and Detachment of the Territory from McKinney ISD to Lovejoy ISD

Mr. Bilyeu,

Good morning! Please find the attached executed resolution and findings from our May 23, 2022 Board of Trustees Meeting regarding the Stonegate subdivision request for detachment from McKinney ISD and attachment to Lovejoy ISD.

Per our discussion last week, Texas Education Code (TEC 13.051(h)) requires, "The findings and resolution shall be recorded in the minutes of each affected board of trustees and shall be reported to the commissioners court of the county to which the receiving district is assigned for administrative purposes by the agency and to the commissioners court of the county to which the district from which territory is to be detached is assigned for administrative purposes."

I appreciate you confirming receipt of this email for our recordkeeping purposes. Have a wonderful weekend!

Lovejoy Proud,

Kim Steiner, MPA

Coordinator of Communications

Lovejoy Independent School District
