**Subject:** Final Plat for Montgomery Farms phase 1

---

LGI Homes-Texas, LLC., owner and developer of the Montgomery Farms phase 1 Subdivision (E. Collin County Municipal District #1), requests Commissioners Court consideration of the attached Final Plat of Montgomery Farms phase 1.

This development is a Municipal Utility District (MUD) and all the infrastructure will be owned and maintained by the district.

Phase 1 is 63.78 acres consisting of 264 residential lots and 13 HOA lots. The lots do not front on the existing public roads; therefore, road construction will be required.

The project generally drains from Southeast to West and Northwest.

Copeville SUD will supply water to the development and sanitary sewer will be provided by the City of Farmersville. **Storm Drains** and Sanitary Sewer Plans will meet the standards for the City of Farmersville and the roads will meet the County's minimum standards.

The plat generally meets the County's SUBDIVISION RULES as outlined in Section 1.05 of the Collin County Subdivision Regulations and authorized under Local Government Code (LGC) 232; however, the developer will be required to make the necessary technical edits. Those items will be outlined in a detailed punch list to the developer within 10 days following Court's conditional approval and will cite the reference in the County's Subdivision Regulations and LGC.

**ACTION**

***We request Commissioners Court consideration for the approval of the Final Plat for Montgomery Farms phase 1 with the condition that the developer make the necessary technical edits, based on LGC 232.001 and 232.003.***
