MEMORANDUM

TO: Collin County Commissioners Court
DATE: August 1, 2022
SUBJECT: JP Court Technology Fund Transfer

The public 2006 Plasma TV screen that we currently use to display information is dark and has a flicker. It also puts out lots of heat and uses a lot of electricity.

We are asking to replace the TV with a new commercial Samsung 55 inch 4K for \$600. This has a built in media player which will illuminate the use of a computer in the office and the hanging HDMI cable.
