Re: Expenditure of funds for Farm Museum

Collin County Farm Museum Restoration Volunteers are on the final phase of the 1940s Ford Truck 5<sup>th</sup> Wheel truck restoration. The last step is to replace the wheels (not tires) of the truck. After months of research, a historically suitable replacement has been located from American Wheel Specialist.

Myers Park staff requests the purchase of the replacement wheels for the Farm Museum be funded from the Farm Museum Memorial Fund balance of Fund (023). This account has an approximate fund balance of \$15,760. Myers Park requests that \$2350 be approved for this expenditure.

If funding is approved staff requests that the budget amendment is processed.

We will be available to answer any questions you might have regarding this matter.
