Dear Collin County Property Owner:

The Collin County Rural Addressing Office is proposing to change the following road name in your area, for consistent 9-1-1 addressing:

COUNTY ROAD 400 will be renamed and re-addressed as **OLD MYRICK LN**

This effort, in coordination with the Cities of Lowry Crossing and Princeton, their Fire Departments, the Collin County Sheriffs Office, and Post Offices, is intended to facilitate both 9-1-1 emergency response and mail delivery.

The Rural Addressing Office will make this request on the Collin County Commissioners Court agenda for August 22, 2022 (the scheduled court date is subject to change – for the latest agenda notice, go online to www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp).

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions, please call the GIS / 9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
