RE: 2022 Materials Price Increases

Due to the current labor shortage and supply chain issues that many industries are facing due to the COVID-19 Pandemic, we are requesting a price increase on materials. VariVerge has faced multiple price increases from our envelope manufacturers over the last 8 months and as we work ahead of schedule to make sure that we maintain adequate inventory, we are needing to increase the cost of #9 return envelopes, #10 envelopes and paper for the upcoming 2022 Tax Statement mailing season.

The new prices for envelopes are included in the line item below:

Line Item No. 1 - \$0.19845

We appreciate your patience and understanding as we continue to navigate through the current circumstances we are all faced with.

Sincerely,

McKenzie Parker
