

Lexmark™ **Lexmark to Increase Prices on All Products Effective April 1, 2022**

Lexmark has informed us they will be increasing prices on all products effective April 1, 2022. We wanted to give you, our valued customers, advanced notice so that you can place your orders before the increase goes into effect. The price increase will be across the board and includes printers, options, consumables, toner and repair parts. This does not include our OEC toner cartridges or FRN fusers and maintenance kits.

Lexmark's approximate price increases will be as follows:

- 9% - Printers and printer options
- 5% - Spare / repair parts
- 3% - Toners and Imaging Units
