May 17, 2021

To Our Valued Customers:

These are certainly unprecedented times we are experiencing as a nation. The hope of returning to normal is closer than ever as the vaccines continue to get administered across the country. As an outcome of the economic recovery, we are experiencing cost increases across all major sectors of our business including transportation and key raw material inputs. During this inflationary period, Morcon has continued to provide the highest level of quality products and service to our customers. Unfortunately, we can no longer absorb these costs and it is necessary to increase our prices.

Effective, **July 1, 2021**, Morcon Tissue will be increasing prices up to **10.0% on** Tissue, Towel, Napkin and Dispenser products. All orders placed by June 30, 2021, calling for immediate shipment, will be invoiced at current into-stock prices. Orders received on or after July 1, 2021 will be invoiced at new into-stock prices.

Orders exceeding more than 1/12th of your annual volume will be processed at the new pricing levels.

All contract prices will be adjusted up to 10.0% upon their expiration date with some contracts increasing more.

We will be sending you the updated into stock and contract price lists at our earliest convenience. Please contact your Morcon sales representative with any questions.

Thank you for your business and continued support of Morcon. We are dedicated to helping you grow your business and thank you for your partnership.

Sincerely,

Philip J. Hart
Vice President, Revenue Management
Morcon Tissue

May 24, 2022

Dear Valued Customer:

First and foremost, we would like to thank you for business and continued partnership with Morcon Tissue. These are unprecedented times for our industry as inflationary pressures continue to increase across all major cost drivers. Although Morcon has implemented several Continuous Improvement Initiatives to reduce the impact of these raw material and logistics costs, we can no longer assume the full burden and must pass these along to our customers.

Therefore, Morcon will be increasing prices up to 18.0% on all Napkin, Towel, Tissue and Dispensers effective July 1, 2022. Note that some product categories and / or geographies may increase by more than 18.0%.

All orders placed by June 30, 2022, calling for immediate shipment, will be invoiced at current into-stock prices. Orders received on or after June 30, 2022 will be invoiced at new into-stock prices.

Orders exceeding more than 1/12th of your annual volume will be processed at the new pricing levels and quantities adjusted down.

All contract prices will be adjusted up to 18.0% upon their expiration date with some contracts increasing by more than 18.0%.

We will be sending you the updated into stock and contract price lists at our earliest convenience. Please contact your Morcon sales representative with any questions.

Thank you for your business and continued support of Morcon.

Sincerely,

Philip J. Hart

October 1, 2021

To Our Valued Customers:

Our industry continues to face inflation throughout all major business cost drivers such as labor, transportation, and raw materials. Although we have been able to offset a portion of these increases through Continuous Improvement Initiatives, we have not been to offset the full impact of all of the cost escalations.

Therefore, Morcon will be increasing prices up to **8.0%** on all Tissue and Towel items effective **December 1, 2021**. Note that some items may increase by more than 8.0%. All orders placed by November 30, 2021, calling for immediate shipment, will be invoiced at current into-stock prices. Orders received on or after November 30, 2021 will be invoiced at new into-stock prices.

Orders exceeding more than 1/12th of your annual volume will be processed at the new pricing levels.

All contract prices will be adjusted up to 8.0% upon their expiration date with some contracts and items increasing more.

April 01, 2022,

Dear Valued Customer,

I hope this reaches each of you and your families in good health and spirit.

I am writing to inform you that effective **May 1, 2022, Rose's** Southwest Papers, Inc. shall increase prices on all products **15%**, with select items potentially increasing more. We recognize it is likely you have received several notices over the past few days, weeks and months from other suppliers and you understand that current inflationary pressures are the catalyst for the increase.

With continued volatility in the freight markets, Rose's has absorbed freight increases of 22-34% while watching freight capacity further constrict. Raw material supply has likewise tightened, resulting in production costs that are outpacing standard industry indicators, such as pulp and paper indexes. As an example, index pricing for sorted office paper has increased approximately 30% over the last six months while the cost for paper substrates made from sorted office paper have increased 90%.

Current market conditions are challenging each of us as we manage our businesses and personal lives, but I believe our partnerships and ability to work together towards our companies mutual benefit will continue to be our strength in meeting your needs and your customer's needs.

Your updated price sheet is attached. New prices will go into effect with all shipments regardless of order date as of May 01, 2022.

Sincerely

Rob Espat

Dear Valued Customer,

Your updated into stock pricing is attached. Contract pricing will be adjusted according to the terms of each specific contract.

All price updates will be effective with all shipments as of March 21, 2022. This adjustment is mandated by current market conditions specifically uncontrolled inflation impacting raw material and freight. Due to multiple factors adjustments will be between twelve and twenty-two percent. (12-22%).

Thank you for your continued support of Rose's Southwest Paper, Inc.

May 29, 2022,

Dear Valued Customer,

I hope this reaches each of you and your families in good health and spirit.

We have tried our best to keep kraft product pricing as stable as we could for as long as possible; unfortunately, at this time we can no longer do so.

I am writing to inform you that effective, with all shipments, as of July 1, 2022, Rose's Southwest Papers, Inc. shall increase prices on all Kraft products up to 15%, with select items potentially increasing more. The on-going supply chain shortages have driven the cost of kraft paper beyond a level that we the manufacturer can absorb.

Your updated price sheet shall be sent to you by the end of day Monday June 6th, all orders placed and shipped by Thursday June 30th, shall be honored at the current price.

Sincerely

Rob Espat

Dear Valued Customer,

I hope this reaches each of you and your families in good health and spirit. I am writing to inform you effective November 15, 2021, Roses Southwest Papers, Inc. will increase prices on all products up to 9% with select items potentially increasing more.

Orders received through the close of business Friday November 12th calling for immediate shipment no later than Tuesday November 30th will be invoiced at current into stock prices. Orders received after November 12th will be invoiced at the new into stock pricing. During this notification period all orders will be limited to your monthly average usage, as measured over the past 3 months.

New Prices will be sent out separately by October 15th, 2021. All contract pricing will be adjusted, according to the terms of each specific contract.

All end -user price agreements (POD) prices will increase effective November 15th, 2021, or upon their expiration date.

The increases are necessitated by the continued escalation of raw materials including paper and pulp and as well as all packaging materials. Freight escalations, driver shortages, and labor shortages are also driving costs upward as well as having a secondary impact on lead times pushing our standard two-week lead times to three and four weeks in many regions. Customer Service will advise you of lead times at order placement.

Thank you for your continued support in Roses Southwest Paper, Inc. We look forward to working with each of you and your teams to the benefit of our mutual growth and goals. Should you have any questions please contact myself or your sales manager.

Sincerely
