3.0 Policy

3. The Authorized Parties and the Collin County employees sponsoring the REMOTE ACCESS request are also responsible for defining the time scope that the REMOTE ACCESS account will be active. All accounts are setup with an expiration date not to exceed 6 months, unless otherwise authorized to be a longer timeframe or permanent by the County.

10. Upon termination of a contract from Collin County, or at the request of the Collin County staff, the Authorized Party must uninstall the REMOTE ACCESS connection from the Authorized Party's computer.
11. Agency expressly agrees to notify the County of staffing changes involving an Authorized Party with access to

 13. Accounts will be locked out after a certain number of failed attempts.
 14. Authorized Parties who have lost their password will have to contact their sponsoring agency to request a password reset. The sponsoring agency will then contact Collin County IT to reset the password for the REMOTE ACCESS user. The sponsoring agency is the Sheriff's Office.
 15. It is the responsibility of the Authorized Party to install, configure, setup and support any issues with their systems to connect to Collin County based on the information provided to them.
 16. Authorized Parties connect at their own risk and Collin County is not responsible for any damages that they may incur from connecting through the REMOTE ACCESS to Collin County
 17. If the County migrates to a new network connection technology it is the responsibility of the Agency to budget and obtain any required technology upgrade in order to maintain their network connection to the County. The Agency will be provided advance notification for this change.
 18. The Authorized Party must notify Collin County IT immediately upon learning of any compromise occurring through an anti-virus, malware, or other form of unauthorized access. Collin County will also inform the Authorized Parties of any breach or suspected breach occurring on the county network. REMOTE ACCESS may be restricted during such an event while corrective actions are undertaken.
 19. The Authorized Party must notify Collin County IT immediately upon learning of any unauthorized access of county resources through the REMOTE ACCESS connection.

4.0 Granting Access

To obtain access via REMOTE ACCESS, the Agency and Authorized Party must be sponsored by a party currently employed at Collin County and IT must agree this access is needed for the Collin County information systems. The Agency and Authorized Party must sign this form agreeing to protect the security of the Collin County network. For external Authorized Parties, the Request for REMOTE ACCESS must be signed and approved by the Manager who is responsible for the external Authorized Party's use. REMOTE ACCESS expiration will be based on the contract length unless further time is requested by Collin County Management. The initial setup and testing will be performed during normal operating hours, Monday – Friday, 8 am – 5 pm, and requires a minimal of two weeks' notice to schedule.

5.0 Enforcement

Collin County Information Technology Department may actively monitor the REMOTE ACCESS concentrator for any suspicious and inappropriate activity. Any Authorized Party found to have violated any part of this policy may have their REMOTE ACCESS terminated immediately.

6.0 Liability

Agency expressly agrees that they shall be liable for any and all damages, including but not limited to actual, consequential, or incidental damages, for disruptions caused by their negligence or intentional misconduct, including that caused by their Authorized Parties, to the County's services/equipment resulting from or related to Agency's connection to the County's networks.

Unauthorized access or use is prohibited and will be prosecuted to the fullest extent. Anyone using this system expressly consents to monitoring and is advised that if such monitoring reveals possible evidence of criminal activity system personnel may provide the evidence of such monitoring to law enforcement officials. Anyone using the system connects at their own risk and assumes all responsibilities for any possible damage to their own equipment.
