TO: Commissioners Court

**SUBJECT: Part-Time Equipment Operator Positions**

The Director of Public Works, Jon Kleinheksel, has expressed an interest in hiring two (2) part-time Equipment Operators in lieu of one (1) full-time position. When hired, these part-time employees would only receive the typical part-time benefits, and would work on an "as needed" basis on the road construction crews.

We are requesting one (1) full-time Equipment Operator position be split into two (2) part-time Equipment Operator positions.
