Dear Mr. Burke,

We own property on the west side of the Adventure Camp out by Westminster, Texas. At the time Collin County was obtaining property for the camp, our property was one of them. We worked out a deal to keep the property west of Willow Lake and the County got the land east of the lake. The County also got a First Refusal Agreement for the rest of our property. We are asking the County to release the First Refusal Agreement so we came deed over to our son and daughter in law property so they can build a house. We had McWilliams and McWilliams PLLC prepare a Termination of Right of First Refusal document to complete this request.

Please let us know if you have any questions.

Sincerely

David Surdukan
