RELEASED FOR CONSTRUCTION
 CITY OF MCKINNEY ENGINEERING DEPARTMENT
 March 22, 2022 by T. Schauwecker

Prior to commencing construction, the owner or their representative shall hold a Pre-Construction Conference with and be issued a Development Permit by the City of McKinney Engineering Department. A copy of the Development Permit and these stamped construction drawings shall be maintained on the construction site at all times. If a conflict is found between these construction drawings and the City of McKinney Construction Standards, the City of McKinney Construction Standards shall govern.

NOTE:
 Prior to beginning any construction or construction staking, it shall be the Contractor's responsibility to contact the civil engineer to insure that all parties are in possession of the most current set of construction documents.
