RE: Acceptance of District Attorney Testing of Forensic Evidence Grant FY2023

I am requesting Commissioners Court accept the District Attorney Testing of Forensic Evidence Grant FY2023. I was notified, on Friday, October 7, 2022, that this grant application was accepted in the full amount requested. The grant period runs from September 1, 2022 through August 31, 2023. This grant will be used to fund quantitative THC testing for seized cannabis samples, which was required in FY2019 by the Legislature under HB 1325. This grant will also allow testing of multiple controlled substances for high-level offenders.
