Re: FY 2023 UASI DVE (Domestic Violent Extremism) Grant: Funding Analysts

The Collin County Sheriff's Office respectfully requests approval to accept funds through the Homeland Security Grant Program / UASI FY 2023 DVE Grant, in the amount of \$111,812.00. This will fund the salary and benefits for two Fusion Center Research Analysts for 12 months. The performance period for this grant is from October 1, 2022, through September 30, 2023.

The difference of UASI Domestic Violent Extremism (DVE) Grant, is the fusion process proactively seeks to identify threats posed by terrorists – this includes domestic violent extremists – and stops them before they occur. This project will partially fund two Intelligence Analysts to perform data mining activities, reporting and monitoring specifically associated with combating domestic violent extremism.
