Salesperson	Purchase Order Number	Date in service as of	Shipped Via	F.O.B. Point	Terms
SD	CC5202011	October 31st, 2022	N/A	Stoneham, MA	Net 30

Quantity	Part Number	Description	Unit Price	Extension
1	Connect and secure	Setup and maintenance of broadband virtual private network, including modem rental and online connection charges, remote monitoring of connection, and surveillance of security logs, remote diagnostics of equipment and reboot as necessary, onsite service of entire network as required. Equipment replacement as required with new or refurbished equivalents in good working order. Single point failure components such as pre-configured, secured servers and switches are kept in buffer stock at Academy's headquarters and overnighted as needed, a technician dispatched to minimize downtime. Customer will self-install simple plug-in replacements supplied by Academy such as mice, keyboards, etc., not necessitating a technician visit.	1494	1494
1	Amendment	Additional support for third printer and secure terminal per Amendment to 01096-11	169	169
