Re: Proposed amendment to the overtime approval policy

On January 14, 2019, the commissioners court adopted court order 2019-051-01-14, which authorizes the County Judge to approve requests for overtime work from elected officials and department heads. I am hereby asking the court to adopt a policy that is substantively unchanged in its authorization but is limited in its term to the first quarter of the next year. I feel more comfortable having the commissioners court regularly revisit and renew this authority rather than operating under a blanket policy with no expiration. I will present a new policy for the court's consideration each quarter.
