Re: Approval of Agency Owned Livescan user agreement.

The Collin County Sheriff's Office requests the Commissioners Court consider the approval of a written agreement between the Collin County Sheriff's Office and the Texas Department of Public Safety. The agreement in question allows the Sheriff's Office connection with the DPS Multimodal Biometric Identification System and the Federal Bureau of Investigation's Next Generation Identification System via agency-owned equipment. In essence, this will allow the Sheriff's Office to submit fingerprints and photographs to the state and national databases for identification in those databases. The user agreement and accompanying paperwork will be attached.
