Benefits to County and Citizens

Public Health Emergency Preparedness is a valuable source of funding for Collin County. The Hazards grant creates the abilities to effectively prepare and respond to a range of public health threats, including infectious diseases, natural disasters, and biological, chemical, nuclear, and radiological events.

The Funds for this grant are used to offset personell and fringe costs. design/implement response plans, preparedness exercises, coordination and procurement of response supplies and resources, training and travel associated with public health preparedness activities, and other related expenses and duties.

PHEP activities follow the guidance of the CDC's fifteen public health capabilities:

1. Community Preparedness
2. Community Recovery
3. Emergency Operations Coordination
4. Emergency Public Information and Warning
5. Fatality Management
6. Information Sharing
7. Mass Care
8. Medical Countermeasures
9. Medical Material Management Distribution
10. Medical Surge
11. Non-Pharmaceutical Interventions
12. Public Health Laboratory Testing
13. Public Health Surveillance and Epidemiological Investigation
14. Responder Health and Safety
15. Volunteer Management
